

NURSING BOARD[655]

Adopted and Filed

**Rule making related to continuing education and child
and dependent adult abuse mandatory reporter training**

The Board of Nursing hereby amends Chapter 5, “Continuing Education,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 147.76 and 272C.2(1).

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 272C.2.

Purpose and Summary

2019 Iowa Acts, House File 731, amends Iowa Code sections 232.69(3) and 235B.16(5), which govern mandatory child abuse and dependent adult abuse identification and reporting training requirements for certain professionals. This rule making amends Chapter 5 to conform to the new statutory language and clarifies that the proof of completion issued by the Department of Human Services shall satisfy the Board’s documentation requirements.

This rule making also clarifies that the subject matter of the licensee’s continuing education should be applicable to the licensee’s practice area.

This rule making also expands the list of entities that may approve a continuing education offering. Due to the expansion of the list of approving entities, licensees will have access to a broader range of courses and will more easily be able to find courses that are applicable to their practice areas. Additionally, this rule making removes the requirement for Board staff to approve coursework under the special approval process for the added approving entities.

This rule making also eliminates the 90-day response deadline to submit documentation for continuing education make-up credit to reflect internal procedural changes to the process of reviewing incomplete continuing education submissions.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on November 6, 2019, as **ARC 4744C**. A public hearing was held on December 6, 2019, at 9 a.m. at the Board’s office, Suite B, 400 S.W. Eighth Street, Des Moines, Iowa. No one attended the public hearing. No public comments were received. No changes from the Notice have been made.

Adoption of Rule Making

This rule making was adopted by the Board on January 15, 2020.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to 655—Chapter 15.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making will become effective on March 18, 2020.

The following rule-making actions are adopted:

ITEM 1. Amend paragraph **5.2(4)“a”** as follows:

a. Appropriate subject matter for continuing education credits reflects the educational needs of the nurse learner and the health needs of the consumer.
